**GLOBAL NOTES AND STATEMENTS OF
LIMITATIONS, METHODOLOGY, AND DISCLAIMERS
REGARDING THE DEBTORS' SCHEDULES OF ASSETS
AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Fusion Connect, Inc. ("**Fusion**") and its U.S. subsidiaries, as debtors and debtors in possession (collectively, the "**Debtors**"), are filing their respective Schedules of Assets and Liabilities (each, a "**Schedule**" and, collectively, the "**Schedules**") and Statements of Financial Affairs (each, a "**Statement**" or "**SOFA**" and, collectively, the "**Statements**" or "**SOFAs**") with the United States Bankruptcy Court for the Southern District of New York (the "**Bankruptcy Court**") pursuant to section 521 of title 11 of the United States Code (the "**Bankruptcy Code**") and Rule 1007 of the Federal Rules of Bankruptcy Procedure (the "**Bankruptcy Rules**").

These global notes and statements of limitations, methodology and disclaimers regarding the Debtors' Schedules of Assets and Liabilities and Statements of Financial Affairs (collectively, the "**Global Notes**") pertain to, are incorporated by reference in, and comprise an integral part of all of the Schedules and Statements. The Global Notes are in addition to the specific notes set forth below with respect to particular Schedules and Statements (the "**Specific Notes**" and, together with the Global Notes, the "**Notes**"). These Global Notes should be referred to, and referenced in connection with, any review of the Schedules and Statements.

The Debtors' management prepared the Schedules and Statements with the assistance of their advisors and other professionals and have relied upon the efforts, statements, advice, and representations of personnel of the Debtors and the Debtors' advisors and other professionals. Given the scale of the Debtors' businesses, the Debtors' management, including Mr. Soldan, who has executed the Schedules and Statements of each of the Debtors, has not (and practically could

not have) personally verified the accuracy of each statement and representation in the Schedules and Statements, including, but not limited to, statements and representations concerning amounts owed to creditors.

The Schedules and Statements are unaudited and subject to potential adjustment. In preparing the Schedules and Statements, the Debtors relied on financial data derived from their books and records that was available at the time of preparation. The Debtors' management team and advisors have made reasonable efforts to ensure that the Schedules and Statements are as accurate and complete as possible under the circumstances; however, subsequent information or discovery may result in material changes to the Schedules or Statements and inadvertent errors, omissions, or inaccuracies may exist. Notwithstanding any such discovery, new information, or errors or omissions, the Debtors do not undertake any obligation or commitment to update the Schedules and Statements.

The Debtors reserve all rights to amend or supplement the Schedules and Statements from time to time, in all respects, as may be necessary or appropriate, including, but not limited to, the right to dispute or otherwise assert offsets or defenses to any claim reflected on the Schedules and Statements as to amount, liability, classification, identity of debtor or to otherwise subsequently designate any claim as "disputed," "contingent," or "unliquidated." Furthermore, nothing contained in the Schedules, Statements, or Notes shall constitute a waiver of any of the Debtors' rights or an admission with respect to their chapter 11 cases, including, but not limited to, any issues involving objections to claims, substantive consolidation, equitable subordination, defenses, characterization or re-characterization of contracts and leases, assumption or rejection of contracts and leases under the provisions of chapter 3 of the Bankruptcy Code, causes of action arising under the provisions of chapter 5 of the Bankruptcy Code, or any other relevant applicable laws to recover assets or avoid transfers.

The Schedules, Statements, and Notes should not be relied upon by any persons for information relating to current or future financial conditions, events, or performance of any of the Debtors or their affiliates.

1. **Description of the Cases.** The Debtors commenced with this Bankruptcy Court voluntary cases under chapter 11 of the Bankruptcy Code on June 3, 2019 (the "**Commencement Date**"). The Debtors are authorized to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On June 3, 2019, the Bankruptcy Court entered an order authorizing the joint administration of the cases pursuant to Bankruptcy Rule 1015(b). On June 18, 2019, the United States Trustee for the Southern District of New York (the "**U.S. Trustee**") appointed an official committee of unsecured creditors pursuant to section 1102(a)(1) of the Bankruptcy Code (the "**Creditors' Committee**").
2. **Basis of Presentation.** For financial reporting purposes, the Debtors generally prepare consolidated financial statements, which include financial information for the Debtors and certain non-debtor affiliates. The Schedules and Statements are unaudited and reflect the Debtors' reasonable efforts to report certain financial

information of each Debtor on a stand-alone, unconsolidated basis. These Schedules and Statements neither purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States (“GAAP”), nor are they intended to be fully reconciled with the financial statements of each Debtor.

The Debtors attempted to attribute the assets and liabilities, certain required financial information, and various cash disbursements to the proper Debtor entity. However, because the Debtors’ accounting systems, policies, and practices were developed for consolidated reporting purposes, rather than by individual legal entity, it is possible that not all assets, liabilities or amounts of cash disbursements have been recorded with the correct legal entity on the Schedules and Statements. Accordingly, the Debtors reserve all rights to supplement and/or amend the Schedules and Statements in this regard.

Given, among other things, the uncertainty surrounding the valuation of certain assets and the valuation and nature of certain liabilities, a Debtor may report more assets than liabilities. Such report shall not constitute an admission that such Debtor was solvent on the Commencement Date or at any time before or after the Commencement Date. Likewise, a Debtor reporting more liabilities than assets shall not constitute an admission that such Debtor was insolvent on the Commencement Date or any time prior to or after the Commencement Date.

3. **Reporting Date.** Unless otherwise noted, the Schedules and Statements generally reflect the Debtors’ books and records as of the close of business on the Commencement Date, adjusted for authorized payments under the First Day Orders (as defined herein).
4. **Current Values.** The assets and liabilities of each Debtor are listed on the basis of the book value of the asset or liability in the respective Debtor’s accounting books and records. Unless otherwise noted, the carrying value on the Debtor’s books, rather than the current market value, is reflected in the Schedules and Statements.
5. **Confidentiality.** To protect the privacy of certain parties, including, among others, the Debtors’ customers and/or employees, certain identifying information, such as mailing addresses, was excluded from the Schedules and SOFAs.²
6. **Consolidated Entity Accounts Payable and Disbursement Systems.** As described in the Cash Management Motion,³ the Debtors utilize an integrated,

² This is consistent with the authority granted to the Debtors in the *Order Granting Motion Authorizing Debtors to (A) File a Consolidated List of Creditors and (B) File a Consolidated List of Debtors' 40 Largest Unsecured Claims, (II) Authorizing Debtors to Redact Certain Personal Identification Information for Individual Creditors and Interest Holders, and (III) Approving Form and Manner of Notifying Creditors of Commencement of Chapter 11 Cases* (ECF No. 50).

³ The “Cash Management Motion” means the *Motion of Debtors for (I) Authorization to (A) Continue Using Existing Cash Management System, Bank Accounts, and Business Forms, (B) Implement Changes to the Cash*

centralized cash management system in the ordinary course of business to collect, concentrate, and disburse funds generated by their operations (the “**Cash Management System**”). The Debtors maintain a consolidated accounts payable and disbursements system to pay operating and administrative expenses through various disbursement accounts.

In the ordinary course of business, the Debtors and certain non-debtor affiliates engage in intercompany transactions (the “**Intercompany Transactions**”), which result in intercompany receivables and payables (the “**Intercompany Claims**”). As set forth more fully in the Cash Management Motion, the primary Intercompany Transactions giving rise to Intercompany Claims are in connection with certain shared services, interest expense allocation, and operational support. Historically, Intercompany Claims are not settled by actual transfers of cash among the Debtors. Instead, the Debtors track all Intercompany Transactions in their accounting system, which concurrently are recorded on the applicable Debtor’s balance sheets.

7. **Accuracy.** Although the Debtors have made good faith reasonable efforts to file complete and accurate Schedules and Statements, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and/or supplement the Schedules and Statements as is necessary or appropriate. The financial information disclosed herein was not prepared in accordance with federal or state securities laws or other applicable non-bankruptcy law or in lieu of complying with any periodic reporting requirements thereunder. Persons and entities trading in or otherwise purchasing, selling or transferring the claims against or equity interests in the Debtors should evaluate this financial information in light of the purposes for which it was prepared. The Debtors are not liable for and undertake no responsibility to indicate variations from securities laws or for any evaluations of the Debtors based on this financial information or any other information.
8. **Net Book Value of Assets.** In many instances, current market valuations are not maintained by or readily available to the Debtors. It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate resources for the Debtors to obtain current market valuations for all assets. As such, wherever possible, unless otherwise indicated, net book values as of the Commencement Date are presented for all assets. When necessary, the Debtors have indicated that the value of certain assets is “Unknown” or “Undetermined.” Amounts ultimately realized may vary materially from net book value (or other value so ascribed). Accordingly, the Debtors reserve all rights to amend, supplement, and adjust the asset values set forth in the Schedules and Statements. As applicable, fixed assets and leasehold improvement assets that fully have been depreciated, amortized or impaired, or were expensed for GAAP accounting purposes, have no net book value, and, therefore, are not included in the Schedules and Statements.

Management System in the Ordinary Course of Business, (C) Continue Intercompany Transactions, (D) Provide Administrative Expense Priority for Postpetition Intercompany Claims, (E) Extend Time to Comply with, or Seek Waiver of, 11 U.S.C. § 345(b), and (II) Related Relief (ECF No. 4).

9. **Currency.** All amounts shown in the Schedules and Statements are in U.S. Dollars, unless otherwise indicated.
10. **Payment of Prepetition Claims Pursuant to First Day Orders.** Following the Commencement Date, the Bankruptcy Court entered various orders (collectively, the “**First Day Orders**”) authorizing the Debtors to, among other things, pay certain prepetition: (i) service fees and charges assessed by the Debtors’ banks and debit and credit card companies; (ii) insurance and surety bond obligations; (iii) obligations to critical vendors; (iv) customer program obligations; (v) employee wages, salaries, and related items (including, but not limited to, employee benefit programs and independent contractor obligations); and (vi) taxes and assessments. Where the Schedules and Statements list creditors and set forth the Debtors’ scheduled amounts attributable to such claims, such scheduled amounts reflect balances owed as of the Commencement Date. To the extent any adjustments are necessary for any payments made on account of such claims following the commencement of these chapter 11 cases pursuant to the authority granted to the Debtors by the Bankruptcy Court under the First Day Orders, such adjustments have been included in the Schedules and Statements unless otherwise noted on the applicable Schedule or Statement. The Debtors reserve the right to update the Schedules and Statements to reflect payments made pursuant to the First Day Orders.
11. **Other Paid Claims.** To the extent the Debtors have reached any postpetition settlement with a vendor or other creditor, the terms of such settlement will prevail, supersede amounts listed in the Schedules and Statements, and shall be enforceable by all parties, subject to Bankruptcy Court approval. To the extent the Debtors pay any of the claims listed in the Schedules and Statements pursuant to any orders entered by the Bankruptcy Court, the Debtors reserve all rights to amend and supplement the Schedules and Statements and take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payment for such liabilities.
12. **Setoffs.** The Debtors routinely incur setoffs from customers and suppliers in the ordinary course of business. Such ordinary course setoffs can arise from various items including, but not limited to, intercompany transactions, pricing discrepancies, customer programs, returns, promotional funding, warranties, refunds, and other disputes between the Debtors and their customers and/or suppliers. These routine setoffs are consistent with the ordinary course of business in the Debtors’ industry, and, therefore, can be particularly voluminous, unduly burdensome, and costly for the Debtors to regularly document. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and, as such, are excluded from the Schedules and Statements. Any setoff of a prepetition debt to be applied against the Debtors is subject to the automatic stay and must comply with section 553 of the Bankruptcy Code.

13. **Accounts Receivable.** The accounts receivable information listed on the Schedules includes receivables from the Debtors' customers and are calculated net of any amounts that, as of the Commencement Date, may be owed to such customers in the form of offsets or other price adjustments pursuant to the Debtors' customer program policies and day-to-day operating policies and any applicable Bankruptcy Court order.
14. **Inventory.** Inventories are valued based on management's estimate of current market value.
15. **Interests in Insurance Policies.** The Debtors maintain a portfolio of insurance policies against unforeseen incidents and losses, and describe such policies in the *Final Order (I) Authorizing Debtors To (A) Continue To Maintain Their Insurance Policies And Programs And Surety Bond Program And (B) Honor All Obligations With Respect Thereto And (II) Modifying The Automatic Stay With Respect To The Workers Compensation Program* (ECF No. 136), entered on July 1, 2019 (the "**Insurance Order**"). Accordingly, the Debtors do not list their interests in such insurance policies in Schedule A/B Part 11.
16. **Property and Equipment.** Property and equipment (including leasehold improvements) are carried at cost, less accumulated depreciation. Additions and substantial improvements are capitalized and include expenditures that materially extend the useful lives of existing facilities and equipment. Maintenance and repairs that do not materially improve or extend the lives of the respective assets are expensed as incurred. Depreciation expense, which includes depreciation on assets under capital leases, is recorded over the estimated useful lives of the respective assets using the straight-line method for financial statement purposes. The range of lives are generally 20 to 50 years for buildings, 3 to 10 years for furniture, fixtures and equipment, and 3 to 5 years for computer systems and computer equipment. Leasehold improvements are depreciated over the shorter of the associated lease term or the estimated useful life of the asset.

The inventories, property and equipment listed in the Schedules are presented without consideration of any mechanics' or other liens.

17. **Mechanics' & UCC Liens.** Known, filed mechanics' and UCC liens, if any, are listed on Schedule D.
18. **Excluded Assets and Liabilities.** Certain liabilities resulting from accruals, liabilities recognized in accordance with GAAP, and/or estimates of long-term liabilities either are not payable at this time or have not yet been reported. Therefore, they do not represent specific claims as of the Commencement Date and are not otherwise set forth in the Schedules. Additionally, certain deferred assets, charges, accounts or reserves recorded for GAAP reporting purposes only, and certain assets with a net book value of zero are not included in the Schedules. Excluded categories of assets and liabilities include, but are not limited to, deferred

tax assets and liabilities, deferred income, deferred charges, self-insurance reserves, favorable lease rights, and unfavorable lease liabilities. Other immaterial assets and liabilities may have been excluded.

In the ordinary course of business, the Debtors offer certain customer promotions to incentivize customers to enter into longer-term contracts with the Debtors (the “**Customer Promotions**”). The Debtors received approval under the *Final Order Authorizing the Debtors to Maintain and Administer Their Existing Customer Programs and Honor Certain Prepetition Obligations Related Thereto* (ECF No. 133) (the “**Customer Programs Order**”) to continue to honor obligations in connection with the Customer Promotions.

19. **Reservation of Rights.** Nothing contained in the Schedules, Statements, or Notes shall constitute a waiver of rights with respect to these chapter 11 cases, including, but not limited to, the following:
- a. Any failure to designate a claim listed on the Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent,” or “unliquidated.” The Debtors reserve the right to dispute and to assert setoff rights, counterclaims, and defenses to any claim reflected on its Schedules as to amount, liability, and classification, and to otherwise subsequently designate any claim as “disputed,” “contingent,” or “unliquidated.”
 - b. The description of an amount as “unknown” or “undetermined” is not intended to reflect upon the materiality of such amount.
 - c. The listing of a claim does not constitute an admission of liability by the Debtors, and the Debtors reserve the right to amend the Schedules accordingly.
 - d. The listing of a claim (i) on Schedule D as “secured,” (ii) on Schedule E/F as either “priority,” or “unsecured priority,” or (iii) listing a contract or lease on Schedule G as “executory” or “unexpired” does not constitute an admission by the Debtors of the legal rights of the claimant, or a waiver of the Debtors’ rights to recharacterize or reclassify such claim or contract pursuant to a schedule amendment, claim objection or otherwise. Moreover, although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors’ assets in which such creditors may have a security interest has been undertaken. Except as provided in an order of the Bankruptcy Court, the Debtors reserve all rights to dispute and challenge the secured nature or amount of any such creditor’s claims or the characterization of the structure of any transaction, or any document or instrument related to such creditor’s claim.
 - e. In the ordinary course of their business, the Debtors may lease property from certain third-party lessors for use in the daily operation of their business. Any

such leases are set forth in Schedule G and any current amount due under such leases that was outstanding as of the Commencement Date is listed on Schedule E/F. The property subject to any of such leases is not reflected in Schedule A/B as either owned property or assets of the Debtors nor is such property reflected in the Debtors' SOFAs as property or assets of third parties within the control of the Debtors. Nothing in the Statements or Schedules is or shall be construed as an admission or determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect to any of such issues, including, but not limited to, the recharacterization thereof.

- f. The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may not reflect credits, allowances, or other adjustments due from such creditors to the Debtors. The Debtors reserve all of their rights with regard to such credits, allowances, and other adjustments, including but not limited to, the right to assert claims objections and/or setoffs with respect to the same.
- g. The Debtors' businesses are part of a complex enterprise. Although the Debtors have exercised their reasonable efforts to ensure the accuracy of their Schedules and Statements, they nevertheless may contain errors and omissions. The Debtors hereby reserve all of their rights to dispute the validity, status, and enforceability of any contracts, agreements, and leases set forth on the Schedules and Statements, and to amend and supplement the Schedules and Statements as necessary.
- h. The Debtors further reserve all of their rights, claims, and causes of action with respect to the contracts and agreements listed on the Schedules and Statements, including, but not limited to, the right to dispute and challenge the characterization or the structure of any transaction, document, and instrument related to a creditor's claim.
- i. The Debtors exercised their reasonable efforts to locate and identify guarantees and other secondary liability claims (the "**Guarantees**") in their secured financings, debt instruments, and other agreements. However, a review of these agreements, specifically the Debtors' unexpired leases and executory contracts, is ongoing. Where such Guarantees have been identified, they are included in the relevant Schedules and Statements. Guarantees embedded in the Debtors' executory contracts, unexpired leases, secured financings, debt instruments, and other agreements inadvertently may have been omitted. The Debtors have reflected the obligations under the Guarantees for both the primary obligor and the guarantors with respect to their secured financings and debt instruments on Schedule H. Guarantees with respect to the Debtors' executory contracts and unexpired leases are not included on Schedule H and the Debtors believe that certain Guarantees embedded in the Debtors' executory contracts, unexpired

leases, secured financing, debt instruments and similar agreements may exist and, to the extent they do, will be identified upon further review.

- j. Listing a contract or lease on the Schedules and Statements shall not be deemed an admission that such contract is an executory contract, such lease is an unexpired lease, or that either necessarily is a binding, valid, and enforceable contract. The Debtors hereby expressly reserve the right to assert that any contract listed on the Schedules and Statements does not constitute an executory contract within the meaning of section 365 of the Bankruptcy Code, as well as the right to assert that any lease so listed does not constitute an unexpired lease within the meaning of section 365 of the Bankruptcy Code.
 - k. To timely close the books and records of the Debtors as of the Commencement Date and to prepare such information on a legal entity basis, the Debtors were required to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and reported revenue and expenses as of the Commencement Date.
20. **Totals.** All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements and exclude items identified as “unknown” or “undetermined.” If there are unknown or undetermined amounts, the actual totals may be materially different from the listed totals.
21. **Global Notes Control.** In the event that the Schedules or Statements differ from any of the foregoing Global Notes, the Global Notes shall control.

Specific Notes with Respect to the Debtors' Schedules of Assets and Liabilities

1. **Schedule-Specific Disclosures.** Each of Schedules A/B, D, E/F, G, and H contain explanatory or qualifying notes that pertain to the information provided in the Schedules. Those Schedule-specific notes are incorporated herein by reference. The asset totals listed on the Schedules represent all known amounts included in the Debtors' books and records as of the Commencement Date. To the extent there are unknown or undetermined amounts, the actual total may be different from the total listed.
2. **Schedules A/B**
 - a. **Part 1.** The Debtors' Cash Management System is comprised of bank accounts that are largely concentrated in three main categories—bank accounts associated with former Birch Communications Holdings, Inc. (“**Birch**”), bank accounts associated with former MegaPath Holding Corp. (“**MegaPath**”), and bank accounts associated with Fusion Connect, Inc., and its subsidiaries that predate Fusion's acquisitions of Birch and MegaPath (collectively, the “**Mergers**”). As of the Commencement Date, the Debtors' Cash Management System was comprised of thirty (30) bank accounts (collectively, the “**Bank Accounts**”). However, eleven (11) of those Bank Accounts were largely holdovers from the Mergers and were no longer in use as of the Commencement Date. As such, the Debtors are in the process of closing these eleven (11) Bank Accounts to consolidate their Cash Management System. As of July 12, 2019, the Debtors collectively hold twenty-three (23) Bank Accounts maintained by the following Debtors: Fusion Connect, Inc. (seven (7) Bank Accounts), Fusion Cloud Company, LLC (five (5) Bank Accounts), Fusion, LLC (two (2) Bank Accounts), Fusion Cloud Services, LLC (two (2) Bank Accounts), Fusion Communications, LLC (seven (7) Bank Accounts). The balances provided for each Bank Account are as of July 12, 2019.

The Debtors are in possession of certain monies related to subtenant deposits where the Debtors are the lessor. These monies are not segregated in separate accounts and have been reported in the Debtors' cash balances.

Further details with respect to the Cash Management System are provided in the Cash Management Motion.
 - b. **Part 2.** The Debtors maintain certain deposits in the conduct of their business operations. These deposits are included in the Schedules for the appropriate legal entity. Types of deposits include, among other things, lease deposits, security deposits, and equipment deposits. Certain prepaid or amortized assets are listed in Part 2 in accordance with the Debtors' books and records. The amounts listed in Part 2 do not necessarily reflect values that the Debtors will

be able to collect or realize. The amounts listed in Part 2 include, among other things, prepaid rent, prepaid insurance, and prepaid employee expenses.

- c. **Part 3.** The Debtors' accounts receivable information includes receivables from the Debtors' customers, vendors, or third parties, which are calculated net of any amounts that, as of the Commencement Date, may be owed to such parties in the form of offsets or other price adjustments pursuant to the Debtors' customer programs and day-to-day operations or may, in the Debtors' opinion, be difficult to collect from such parties due to the passage of time or other circumstances. The Debtors do not indicate the age of accounts receivables in these Schedules and Statements. The accounts receivable balances in this section exclude intercompany receivables.

In 2016, certain of the Debtors implemented a new accounting system, however, at the time of the implementation of the new accounting system, the Debtors did not list separate opening balances for each Debtor's intercompany receivables or payables with the other Debtors. As a result, the Debtors cannot state which portion of any Debtor's opening intercompany balance related to any other Debtor as of the date the accounting system was implemented and have excluded intercompany receivables and payables from the Schedules. The Debtors have included net intercompany receivables related to ordinary course intercompany transactions among the Debtors and their non-Debtor Canadian subsidiaries on the Schedules.

As stated in the Cash Management Motion, the Debtors have tracked intercompany transactions on a postpetition basis on a Debtor-by-Debtor basis.

- d. **Part 4.** Any of the Debtors' ownership interests in subsidiaries, partnerships, and joint ventures are listed in Schedule A/B, Part 4 as undetermined amounts because the fair market value of such interests is dependent on numerous variables and factors and may differ significantly from the net book value.
- e. **Part 5.** Amounts presented as inventory receipts within twenty days of the Commencement Date have not been reduced to reflect inventory received under cash in advance payment or payments made postpetition under certain First Day Orders. The amounts listed in Part 5 should not be interpreted as an estimate of outstanding section 503(b)(9) balances.
- f. **Part 7.** The Debtors have identified owned office furniture, fixtures, and equipment. Actual realizable values may vary significantly relative to net book values as of the Commencement Date.
- g. **Part 8.** Actual realizable values of the identified leased or owned vehicles may vary significantly relative to net book values as of the Commencement Date.
- h. **Part 9.** Property leased by the Debtors is listed in Schedule G and is not listed

in Part 9 of Schedule A/B, with the exception of any lease or security deposits for such property, which is listed on Schedule A/B. The Debtors reserve all rights to re-characterize their interests in real property at a later date.

- i. **Part 10.** Part 10 identifies the various trademarks and patents owned and maintained by the Debtors. The Schedules do not list the book balances of intangible assets because they may not be reflective of realizable values. Certain of the Debtors have customer information from ordinary course business activities which contains personally identifiable information (as defined in 11 U.S.C. Sections 101(41A) and 107). This information is not included in the Schedules. As of the Commencement Date, the Debtors' books and records included balances for various intangible assets.
- j. **Part 11. *Other contingent and unliquidated claims or causes of action of every nature.*** In the ordinary course of business, the Debtors may have accrued, or may subsequently accrue, certain rights to counterclaims, cross-claims, setoffs, refunds with their customers and suppliers, and potential warranty claims against their suppliers, among other claims. Additionally, certain of the Debtors may be party to pending litigation in which the Debtors have asserted, or may assert, claims as plaintiffs, or counter-claims and/or cross-claims as defendants.

Despite exercising their reasonable efforts to identify all such assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules including, but not limited to, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant non-bankruptcy laws to recover assets. The Debtors reserve all of their rights with respect to any claims, causes of action, or avoidance actions they may have and neither these Notes nor the Schedules shall be deemed a waiver of any such claims, causes of action, or avoidance actions or in any way prejudice or impair the assertion of such claims.

- 3. **Schedule D.** The claims listed on Schedule D, as well as the guarantees of those claims listed on Schedule H, arose and were incurred on various dates. To the best of the Debtors' knowledge, all claims listed on Schedule D arose, or were incurred before the Commencement Date.

Except as otherwise agreed or stated pursuant to a stipulation, agreed order, or general order entered by the Bankruptcy Court that is or becomes final, the Debtors and/or their estates reserve their right to dispute and challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a creditor listed on Schedule D of any Debtor and, subject to the foregoing limitations, note as follows: (a) although the Debtors may have scheduled claims of various creditors as secured claims for informational purposes, no current valuation of the Debtors' assets in which such creditors may have a lien has been undertaken; and (b) the descriptions provided on Schedule D are intended to be a summary. Reference to the applicable loan

agreements and related documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. Detailed descriptions of the Debtors' prepetition debt structure, guarantees, and descriptions of collateral relating to each debt contained on Schedule D are contained in the *Declaration of Keith Soldan Pursuant to Rule 1007-2 of Local Bankruptcy Rules for Southern District of New York* (ECF No. 2) (the "**Soldan Declaration**").

Pursuant to the Final DIP Order⁴, all principal amounts outstanding under the Debtors' Prepetition Super Senior Credit Facility (as defined in the Final DIP Order) were refinanced dollar-for-dollar and discharged by the DIP Roll-Up Loans (as defined in the Final DIP Order), subject to customary challenge periods. Except as specifically stated herein, real property lessors, equipment lessors, utility companies, and other parties which may hold security deposits or other security interests have not been listed on Schedule D.

The Debtors have not listed on Schedule D any parties whose claims may be secured through rights of setoff, deposits, or advance payments posted by, or on behalf of, the Debtors, or judgment or statutory lien rights. The Debtors have not investigated which of the claims may include such rights, and their population is currently unknown.

4. **Schedules E/F**

- a. **Part 1.** The claims listed on Part 1 arose and were incurred on various dates. A determination of the date upon which each claim arose or was incurred would be unduly burdensome and cost prohibitive. Accordingly, no such dates are included for each claim listed on Part 1. To the best of the Debtors' knowledge, all claims listed on Part 1 arose or were incurred before the Commencement Date.

The Debtors have not listed any wage or wage-related obligations that the Debtors have paid pursuant to the First Day Orders on Part 1. The Debtors believe that all such claims for wages, salaries, expenses, benefits and other compensation as described in the First Day Orders have been or will be satisfied in the ordinary course during these chapter 11 cases pursuant to the authority granted to the Debtors in the relevant First Day Orders. The Debtors reserve their right to dispute or challenge whether creditors listed on Part 1 are entitled to priority claims under the Bankruptcy Code.

Claims owing to various taxing authorities to which the Debtors potentially may be liable are included on Part 1. Certain of such claims, however, may be subject to ongoing audits and/or the Debtors may otherwise be unable to

⁴ *Final Order (I) Authorizing the Debtors to (A) Obtain Postpetition Financing, (B) Use Cash Collateral, (II) Granting Liens and Providing Superpriority Administrative Expense Status, (III) Granting Adequate Protection to the Prepetition Secured Parties, (IV) Modifying the Automatic Stay, and (V) Granting Related Relief* (ECF No. 160) (the "**Final DIP Order**").

determine with certainty the amount of the remaining claims listed on Part 1. Therefore, the Debtors have listed all such claims as contingent and unliquidated, pending final resolution of ongoing audits or other outstanding issues.

- b. **Part 2.** The Debtors have exercised their reasonable efforts to list all liabilities on Part 2 of each applicable Debtor's Schedule. As a result of the Debtors' consolidated operations, however, Part 2 for each Debtor should be reviewed in these cases for a complete understanding of the unsecured claims against the Debtors. Certain creditors listed on Part 2 may owe amounts to the Debtors, and, as such, the Debtors may have valid setoff and recoupment rights with respect to such amounts. The amounts listed on Part 2 may not reflect any such right of setoff or recoupment, and the Debtors reserve all rights to assert the same and to dispute and challenge any setoff and/or recoupment rights that may be asserted against the Debtors by a creditor. Additionally, certain creditors may assert mechanics' or other similar liens against the Debtors for amounts listed on Part 2. The Debtors reserve their right to dispute and challenge the validity, perfection, and immunity from avoidance of any lien purported to be perfected by a creditor listed on Part 2 of any Debtor. In addition, certain claims listed on Part 2 may potentially be entitled to priority under 11 U.S.C. § 503(b)(9).

The Debtors reserve their right to dispute or challenge the validity, perfection or immunity from avoidance of any lien purported to be perfected by a creditor listed on Schedule E/F of any Debtor. In addition, the Debtors reserve their right to dispute or challenge any priority asserted with respect to any liabilities listed on Schedule E/F. The Debtors have made reasonable efforts to include all unsecured creditors on Part 2 including, but not limited to, trade creditors, landlords, utility companies, consultants, and other service providers. The Debtors, however, believe the possibility exists that there are instances where creditors have yet to provide proper invoices for prepetition goods or services. While the Debtors maintain general accruals to account for these liabilities in accordance with GAAP, these amounts are estimates and have not been included on Part 2.

The Debtors' accounting system tracks vendors using a number and unique name assigned to each vendor. Because many vendors service multiple business areas for the Debtors, there may be instances in which the same vendor has been assigned multiple vendor numbers and variations of the vendor's name. For purposes of Part 2, the Debtors have not aggregated all claims of such vendors with multiple vendor numbers and/or names. Rather, the Debtors have separately listed the claims of such vendors under each vendor number and name and should not be construed as giving rise to duplicate claims to a vendor for the same services or goods delivered to a Debtor. However, instances may exist where not all such claims have been identified and the Debtors may have separately listed potentially duplicative claims of such vendors under multiple vendor numbers.

Unless otherwise noted, the claims listed on Part 2 are based on the Debtors' books and records as of the Commencement Date. The Debtors have excluded workers' compensation claims from the Statements because the Debtors are fully insured for and continue to honor their workers' compensation obligations in the ordinary course in accordance with the Insurance Order.

Part 2 does not include certain balances including deferred liabilities, accruals, or reserves. Such amounts are, however, reflected on the Debtors' books and records as required in accordance with GAAP. Such accruals primarily represent estimates of liabilities and do not represent specific claims as of the Commencement Date.

Part 2 does not include reserves for liabilities that may have arisen under litigation in which a Debtor is a defendant unless there is a final judgment or a settlement agreement.

The claims of individual creditors may not reflect credits and/or allowances due from creditors to the applicable Debtor. The Debtors reserve all of their rights with respect to any such credits and/or allowances, including the right to assert objections and/or setoffs or recoupments with respect to same.

The Bankruptcy Court has authorized the Debtors to pay, in their discretion, certain non-priority unsecured claims pursuant to the First Day Orders. To the extent practicable, each Debtor's Schedule E/F is intended to reflect the balance as of the Commencement Date, adjusted for postpetition payments made under some or all of the First Day Orders. Each Debtor's Schedule E/F will reflect some of that Debtor's payment of certain claims pursuant to the First Day Orders, and, to the extent an unsecured claim has been paid or may be paid, it is possible such claim is not included on Schedule E/F. Certain Debtors may pay additional claims listed on Schedule E/F during these chapter 11 cases pursuant to the First Day Orders and other orders of the Bankruptcy Court and the Debtors reserve all of their rights to update Schedule E/F to reflect such payments or to modify the claims register to account for the satisfaction of such claims. Additionally, Schedule E/F does not include potential rejection damage claims, if any, of the counterparties to executory contracts and unexpired leases that may be rejected.

5. **Schedule G.** Although reasonable efforts have been made to ensure the accuracy of Schedule G regarding executory contracts and unexpired leases (collectively, the "Agreements"), the Debtors' review process of the Agreements is ongoing and inadvertent errors, omissions, or over-inclusion may have occurred. The Debtors may have entered into various other types of Agreements in the ordinary course of their businesses, such as indemnity agreements, supplemental agreements, amendments/letter agreements, and confidentiality agreements which may not be set forth in Schedule G. Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. Schedule G may be amended at any time to add any omitted Agreements. Likewise, the listing of an Agreement on Schedule

G does not constitute an admission that such Agreement is an executory contract or unexpired lease or that such Agreement was in effect on the Commencement Date or is valid or enforceable. The Agreements listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, estoppel certificates, letters and other documents, instruments, and agreements which may not be listed on Schedule G.

Executory contracts for short-term service orders that are oral in nature have not been included in Schedule G. Customer agreements are excluded from Schedule G due to their voluminous nature and in order to protect the Debtors' trade secrets.

Certain of the Agreements listed on Schedule G may have been entered into by or on behalf of more than one of the Debtors. Additionally, the specific Debtor obligor(s) to certain of the Agreements could not be specifically ascertained in every circumstance. In such cases, the Debtors have made reasonable efforts to identify the correct Debtor's Schedule G on which to list the Agreement.

6. **Schedule H.** The Debtors are party to various debt agreements which were executed by multiple Debtors. The guaranty obligations under prepetition secured credit agreements are noted on Schedule H for each individual Debtor. In the ordinary course of their businesses, the Debtors are involved in pending or threatened litigation and claims arising out of the conduct of their businesses. Some of these matters may involve multiple plaintiffs and defendants, some or all of whom may assert cross-claims and counter-claims against other parties. To the extent such claims are listed elsewhere in the Schedules of each applicable Debtor, they have not been set forth individually on Schedule H. In the event that two or more Debtors are co-obligors with respect to a scheduled debt or guaranty, such debt or guaranty is listed in the Schedules and Statements of each such Debtor at the full amount of such potential claim, and such claim is marked "contingent" and "unliquidated." No claim set forth on the Schedules and Statements of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other Debtors or non-Debtors. To the extent these Notes include notes specific to Schedules D-G, such Notes also apply to the co-Debtors listed in Schedule H. The Debtors reserve all of their rights to amend the Schedules to the extent that additional guarantees are identified or such guarantees are discovered to have expired or be unenforceable.

Specific Notes with Respect to the Debtors' Statements of Financial Affairs

1. **SOFA 1.** The income stated in the Debtors' response to SOFA 1 is consistent with the consolidated sales disclosed in compliance with GAAP. The Debtors' fiscal year ends on the last day of each calendar year:
 - **FY 2017:** Comprised of 52 weeks ending December 31, 2017.
 - **FY 2018:** Comprised of 52 weeks ending December 31, 2018.
 - As a result of transaction accounting in relation to the Mergers, the revenues of Fusion Connect, Inc. and its subsidiaries are not included for 2017 or for the period January 1 to May 3, 2018. The revenues of Fusion Connect, Inc. and its subsidiaries are included from May 4, 2018 onward. The revenues of MegaPath Holding Corporation and its subsidiaries are included from the date of acquisition, June 15, 2018.
 - **Stub Period 2019:** Comprised of approximately 5 months ending June 2, 2019.
2. **SOFA 3.** The Debtors are a leading provider of integrated cloud solutions to small, medium, and large businesses. As described in the Cash Management Motion, the Debtors utilize their integrated, centralized Cash Management System to collect, concentrate, and disburse funds generated by their operations. The obligations of the Debtors are primarily paid by and through Fusion Connect, Inc. notwithstanding that certain obligations may be obligations of one or more of the Debtors as described in the Cash Management Motion.

The payments disclosed in SOFA 3 are based on payments made by the Debtors with payment dates from March 5, 2019 to June 2, 2019. The response to SOFA 3 excludes regular salary payments and disbursements or transfers listed on SOFA 4. Amounts still owed to creditors will appear on the Schedules for each Debtor, as applicable.

All payments for services of any entities that provided consultation concerning debt counseling or restructuring services, relief under the Bankruptcy Code, or preparation of a petition in bankruptcy within one year immediately preceding the Commencement Date are listed on SOFA 11 and are not listed on SOFA 3.
3. **SOFA 4.** For purposes of the Schedules and Statements, the Debtors define insiders as (a) officers, directors, and anyone in control of a corporate debtor and their relatives; and (b) affiliates of the Debtor and insiders of such affiliates. Individuals listed in the Statements as insiders have been included for informational purposes only. The Debtors do not take any position with respect to (i) such individual's influence over the control of the Debtors; (ii) the management responsibilities or functions of such individual; (iii) the decision-making or corporate authority of such individual; or (iv) whether such individual

could successfully argue that he or she is not an insider under applicable law, including, without limitation, the federal securities laws, or with respect to any theories of liability or for any other purpose. As such, the Debtors reserve all rights to dispute whether someone identified is in fact an “insider” as defined in section 101(31) of the Bankruptcy Code. For more information regarding each Debtor’s officers and directors, please see SOFA 28 and SOFA 29.

Payments made to non-Debtor affiliates are listed on SOFA 4. Home addresses for directors, former directors, employees, and former employees identified as insiders have not been included in the Statements for privacy reasons and have been replaced with the Debtors’ principal office address. Amounts still owed to creditors will appear on the Schedules for each of the Debtors, as applicable.⁵

4. **SOFA 6.** The Debtors incur certain offsets and other similar rights in the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, intercompany transactions, pricing discrepancies, overpayments, returns, and other disputes between the Debtors and their customers, vendors and contract counterparties. These offsets and other similar rights are consistent with the ordinary course of business in the Debtors’ industry and are not tracked separately. Therefore, such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules.
5. **SOFA 7.** Information provided on SOFA 7 includes only those legal disputes and administrative proceedings that are formally recognized by an administrative, judicial, or other adjudicative forum. While the Debtors believe they were diligent in their efforts, it is possible that certain suits and proceedings may have been inadvertently excluded in the Debtors’ response to SOFA 7. The Debtors reserve all of their rights to amend or supplement their response to SOFA 7.
6. **SOFA 9.** The donations and/or charitable contributions listed in response to SOFA 9 represent payments made to third parties during the applicable timeframe that were recorded as such within the Debtors’ books and records.
7. **SOFA 11.** All payments for services of any entities that provided consultation concerning debt counseling or restructuring services, relief under the Bankruptcy Code, or preparation of a petition in bankruptcy within one year immediately preceding the Commencement Date are listed on the applicable Debtor’s response to SOFA 11. Additional information regarding the Debtors’ retention of professional service firms is more fully described in individual retention applications and related orders.

⁵ The Court has allowed similar relief in the *Order Granting Motion (I) Authorizing Debtors to (A) File a Consolidated List of Creditors and (B) File a Consolidated List of Debtors’ 40 Largest Unsecured Claims, (II) Authorizing Debtors to Redact Certain Personal Identification Information for Individual Creditors and Interest Holders, and (III) Approving Form and Manner of Notifying Creditors of Commencement of Chapter 11 Cases* (ECF No. 50).

In addition, the Debtors have listed payments made to professionals retained by the Debtors but not payments made to advisors of their postpetition lenders or other parties.

8. **SOFA 13.** This SOFA includes certain transfers in the amount of \$500,000 and greater in connection with (a) the spin-off of small business and residential customers by Birch Communications Holdings, Inc. into Lingo Management LLC prior to the Birch-Fusion merger transaction; (b) the post-merger sale of small business customers to Lingo Management LLC; (c) the sale of equity interests in Fusion Global Services, the Debtor's long distance business, to XcomIP LLC; (d) the subordinated note in connection with financing; (e) the MegaPath Holding Corp. merger transaction; and (f) the pre-closing payments and debt repayments with newly borrowed funds in relation to the Birch Communications Holding, Inc. merger transaction. The remaining 233 transfers in connection with the forgoing transactions, each in an amount of less than \$500,000, are excluded from this SOFA and aggregate \$5,587,706.
9. **SOFA 16.** The Debtors collect a limited amount of information about customers via their website portals and mobile applications, over the telephone, or in person in order to provide services to customers and inform them of new products and services. The Debtors also collect personally identifiable information from customers in certain instances. Examples of the types of information collected by the Debtors include, among other things, name, mailing address, telephone number, email address, and credit card number. The Debtors retain such information as long as is necessary for the Debtors to comply with business, tax, and legal requirements.
10. **SOFA 18.** Following consummation of the Mergers, the Debtors have closed a number of Bank Accounts in an effort to consolidate their Cash Management System. As described in the Specific Notes to Schedule A/B and in the Cash Management Motion, the Debtors can be reasonably expected to continue to close Bank Accounts to continue to consolidate their Cash Management System.
11. **SOFA 20.** The Debtors utilize Iron Mountain Storage Facilities (“**Iron Mountain**”) to retain records. Iron Mountain has various store locations across the United States. The Debtors do not maintain specific Iron Mountain addresses and thus have not listed them in SOFA 20.
12. **SOFA 21.** In the ordinary course of business, the Debtors utilize leased property in the conduct of their business. Such leases are listed on Schedule G.
13. **SOFA 25.** The Debtors have used their reasonable efforts to identify the beginning and ending dates of all businesses in which the Debtors were a partner or owned five percent or more of the voting or equity securities within the six years immediately preceding the Commencement Date.
14. **SOFA 26.** The Debtors provided financial statements in the ordinary course of

business to certain parties for business, statutory, credit, financing and other reasons. Recipients include, among others, regulatory agencies, financial institutions, investment banks, debtholders and their legal and financial advisors. Financial statements have also been provided to other parties as requested, subject to customary non-disclosure requirements where applicable.

15. **SOFA 27.** The inventory listed in response to Question 27 was conducted by an independent third party on April 9, 2019. Inventory is valued on a cost basis.
16. **SOFA 28.** The Debtors have excluded from SOFA 28 shareholders who hold less than five percent (5%) of each Debtor's voting or equity securities, as is consistent with reporting requirements under SEC Filing 13D. For each entity, the Debtors have included individuals identified as of the Commencement Date as directors, officers, members, or managers, as applicable, of such entity in the Debtors' recordkeeping systems or, if no individuals were identified, an entity member, as applicable.
17. **SOFA 29.** The disclosures relate specifically to terminated job titles or positions and are not indicative of the individuals' current employment status with the Debtors. For each entity, the Debtors have included the individuals who, during the applicable period, were identified as directors and officers of such entity in the Debtors' recordkeeping systems.
18. **SOFA 30.** Any and all known disbursements to insiders other than regular salary of the Debtors have been listed in response to SOFA 4.
19. **SOFA 31.** Various Debtor limited liability companies (each, an "LLC") are disregarded for tax purposes. Income generated by an LLC is consolidated at a higher reporting unit level.
